AI Overview

+5

All Track Exterminators, based in Pasadena, CA, holds **highly positive reviews**, with customers praising their professional, honest, and effective rodent control services. Customers specifically highlight the team's ability to identify and seal rodent access points, thorough cleanups, and, in some cases, quick resolution of infestations. Yelp +2

- **Service Highlights:** Technicians are described as professional, knowledgeable, and caring.
- **Specialization:** They specialize in rodent control (rats, mice) and sealing entry points.
- **Customer Experience:** Reviews often mention fair, honest, and communicative service, making customers feel comfortable during stressful pest situations.
- **Effectiveness:** Customers reported long-term relief from pests after the services were completed. Yelp +3

Reviews and Ratings:

- [Yelp \(Pasadena\)](#): Consistently high praise for technicians like Larry.
- [Experience.com](#): Recognized for expertise in eliminating, not just controlling, infestations. Yelp +2

Note: There are also mentions of other similar-sounding companies in the area (like Trackers Termite Control and Traction Wildlife and Pest Control), but the above pertains specifically to "All Track Exterminators" of Pasadena. Yelp +2
